

HOW FAMILY VILLAGE PRICING WORKS: EAST BOULDER

The Basics:

- You buy a monthly pass with unlimited space use for one adult and a set number of childcare hours for your kids. The pass size you choose depends on how often you plan to visit the village and how many kids you'll have in childcare.
- You can use those childcare hours any time throughout the month (during our open hours), for any number and age of kids, for up to 3-hours per child, per day.
- You can come and go on your own timelines (no scheduling required!) but you must stay onsite while your kids are in our care. When your kids are in your care, it doesn't count towards your monthly hours (just be sure to check them out of childcare)!
- If you go over your monthly hours, no biggie –you can simply purchase more! At the start of each month, your hours reset to the number of hours your pass level includes (unused hours don't roll over to the next month).
- If you don't want to worry about how many hours you've used, we offer an Unlimited Pass and Family Pass. Both include two free Guest Passes per month (for adults only, guest childcare can be purchased separately).
 - a. For use by one child, the Unlimited Pass is truly unlimited. For use by multiple children, there is a total monthly cap of 70 hours.
 - b. The Family Pass provides unlimited space use by two adults and two children. For use by 3 or more kids, there is a total monthly cap of 130 hours.
- You can upgrade your pass at any time to get additional childcare hours at a reduced rate. Downgrades, cancellations or holds require notice 30 days prior to pass renewal date. All pass changes are handled by FV staff.

The Fine Print:

1. Passes are only valid at one Family Village location and cannot be used interchangeably between spaces.
2. We can only care for kids whose legal guardian is on the premises. We only receive and release kids into the care of a legal guardian. [Learn about legal guardianship.](#)
3. Any time your kids are onsite in your care (and not checked into childcare), it doesn't count towards your childcare hours (perfect for those carseat napping infants)!
4. Passes include a snack and supplies fee for the kids and free coffee, tea and WiFi for you, as well as discounted rates on classes and wellness offerings.
5. Monthly passes require a 3-month minimum commitment. Passes renew automatically a credit card on file and are set to draft on the 1st of the month, or a date of your choosing. Credit card processing fees are included in your payment.
6. All monthly passholders pay a one-time, non-refundable \$50 registration fee and purchase a \$25 membership share of the business.
7. Your \$25 membership share can be refunded or donated when you leave Family Village. To maintain your membership, you must frequent the Village at least once every 3 months or put your pass on hold.
8. You can put your pass on hold for \$33/mo which allows you to stay a member of the co-op and have one day of space use per month (childcare not included).
9. You can add a second, related adult to your pass for \$75/mo (does not include additional childcare hours). They may use the childcare hours from your monthly pass, presuming they are also legal guardians of your children.
10. For times you know you're likely to exceed your hours, you can purchase a 30-hr punch pass in advance (at \$14.50/hr, good for up to 6 months). For times you've already gone over, you can get caught up by paying the hourly rate (\$18/hr).
11. Each time you refer a friend who signs up for a monthly pass, we gift you 3 free hours of childcare!
12. We do not provide refunds or fee adjustments for months with closures, including but not limited to holidays or inclement weather.

What if you don't need the Village immediately?

- Want a delayed start date? You can either make your first month's payment now and set your pass to start at a delayed date OR you can reserve a future spot with a non-refundable \$100 deposit which will be credited towards your first monthly bill.
- Expecting a child? Sign up for an Expectant Parent pass (\$69/mo) which gives you 4 days of space use per month to get adjusted to the space before baby arrives.

Don't know what to do with those big siblings on random days off of school?

- Bring them with you! You can either use your monthly hours for their care or buy a Big Kid Day Pass (\$15) where they can make use of adult spaces with minimal supervision for things like homework and reading or help out in childcare if they like.

Want to try the Village before committing?

- Give Family Village a try with our \$44 First Timer Pass which gives you one day of access to the space and 3 hours of childcare for up to 2 children.

Don't want to make a 3-month commitment to Family Village?

- For use of Family Village as a stopgap while awaiting admission to another childcare program, we offer punchpasses. The \$50 registration fee still applies but you do not need to purchase the \$25 Membership Share and your 3-month minimum commitment is waived.
- You can cover your space use with Day Passes (\$35/day) or the \$145/mo Core Pass. You can pay for childcare with a 30-hour Childcare Punchpasse (\$435, good for 6 months) or by paying hourly (\$18/hour per child).

Want to stay involved with the Village even though your kids no longer need it?

- Stay connected to the Village with our Alum Pass (\$69/mo) which gives you 4 days of space access per month. If you want to enjoy the village more frequently, switch to our Core Pass (\$145/mo) for full-time access to all the Village offers!
